WEB www.shakespearecountyraceway.co.uk
COST £12 entry per person plus £25 per car for a one day

Once again Ken Philps will lead the day for us and we will be running our Bar-B-Q for extra socialising!

MEETING POINT - *for those who want to convoy over there, Ken will start from the Tewksbury BP Garage just off Junction 9 M5 at 8:45 if anyone wants to convoy over, they might be a bit shy!*

WEATHER PENDANT - We have learned that even a slight drop of rain brings action to a complete halt so Ken will do a weather-watch through the previous 48 hours and will announce his decision whether to GO AHEAD or POSTPONE the Friday before -- he will advise you all by post on our facebook site and on our Website.

ENTRY We just pay at the entrance gate - costs as above

RESULTS Every run gets a Print-out recording your times over different sectors

BRIEFING FACTS FOR THE DAY Don't forget your driving licence and do come with crash helmet (Hopefully there will be some spares), gloves plus dress to keep arms and legs covered (no need for racing kit). Please see the RACEWAY'S website "Ten Item general Check List" for their common sense requirements. They are understandably very sensitive to

fluid leaks so get yourself screwed up tight in advance!
Scrutineering is carried out - presumably to check the leaks amongst other things.

QUERIES Visit the Raceway website and see Westies in action on the "Run What Ya Brung section"! This will give you an idea of what to expect -- contact Ken Philps on Tel: 07957 428731 or email him if you have any other queries
